PRINCIPAL NEWS.

Kia ora koutou,

Learning in the performing arts permeates Kilbirnie School at the moment. This time last year the visual arts shone just as brightly as our focus. Teaching and learning in the arts is one of our pillars as a school. We think this learning is essential as part of an education that is full and exciting, an education that allows students to develop the skills and competencies needed for success and enjoyment at school and in life. 25 years working in education has proven to me that the learning possible through the arts is rich, personal and important.

Students will be very excited to share their learning with you as the term culminates in performances in week 10. I am feeling very proud of our students and staff.

We still discuss the late Sir Ken Robinson within the context of the arts. Ken was a strong believer in the arts and often talked about the value of the arts within a modern education that meets the needs of modern students such as those at Kilbirnie School.

If you can find a spare 10 minutes this video is well worth watching, he has produced other seminal videos available on utube.

Have a great weekend.

Tony Austin- Principal.

This week I asked teachers to take a few pictures of production rehearsals to allow whānau a peek at some of the work that has been developed. We can now also share the title of each piece along with a short blurb.

Everyone is working to bring together elements of dance, drama and music to share with whānau in the last week of term. It is terrific to see students working together creatively and having great fun.

- **NZSTA ACKNOWLEDGEMENT TO CHRIS MONTGOMERIE.**

At the hui last night I presented Chris Montgomerie with an award from the New Zealand School Trustee Association (NZSTA). This award is recognition of the completion of 10 years as a Board member. Chris was on our Board for 10 years including 9 as the Chair. I believe she is the first Kilbirnie School Board member to receive this award.

Chris' work on the Board, around the school and in the wider education community has been characterised by drive, energy and a relentless determination to get things done. Chris has been a principled and considered leader focussed on bettering the experience and outcomes for students.

We thank her and wish her well in her next endeavour standing in the upcoming election for the Greater Wellington Regional Council.

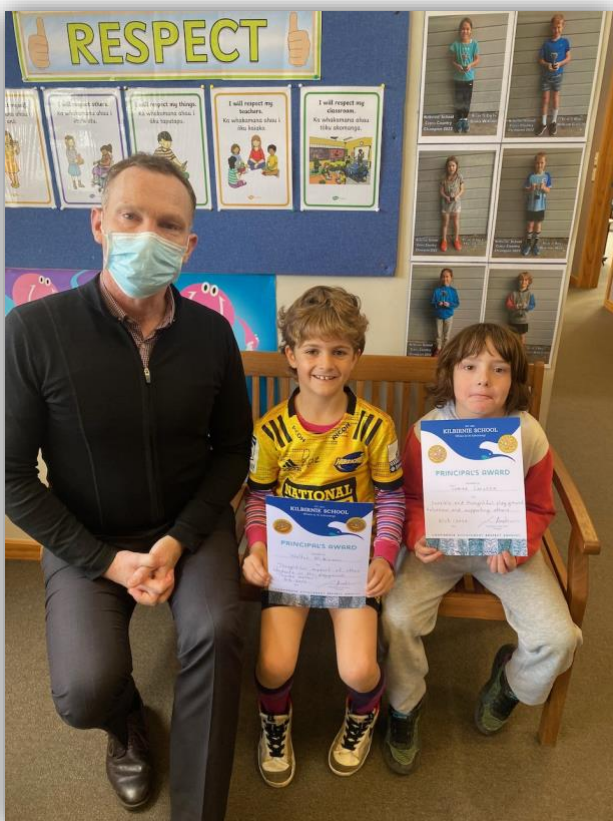

• **KILBIRNIE SCHOOL VALUES.**

Congratulations to **Rosie** who came over to my office to receive her word rocket certificate. We are always very proud when our youngest students achieve this milestone. Well done, **Rosie!**

Congratulations also to **Walter and Tomas** who received Principal's awards in recognition of their demonstration of the Kilbirnie School values.

Many thanks to everyone who supported Kilbirnie School's online Daffodil Day fundraiser. We managed to reach our target and raise \$512.00, which is a fantastic effort.

This donation will go towards cancer care for patients and their whānau, education and awareness programmes and life changing cancer research.

- **LEAVERS' DINNER 2022- AN UPDATE.**

We are excited to announce that at the end of this year, we will be hosting the Year 6 Leaver's Dinner at the Roxy Cinema. This will be a change from our normal venue of The Pines.

The leaver's dinner will be held on **Monday 5th December**. We are looking forward to celebrating our Year 6's alongside whānau. More information will be made available at a closer date.

- **COLLECT APPLE YUMMY STICKERS, WE GET SPORTS GEAR!**

If you have been collecting them at home, please return to the school office.

- **LOST PROPERTY.**

We have had quite a lot of lost property this year. We have given students a chance to look through it all a few times, however there is still a bit there. If you would like a look through yourself, you are most welcome too. It is all kept in the hall bathroom. Any lost property that is not collected by the 19th September will be kindly given to charity.

Each year we have a significant number of deaths in and around our beaches and water ways and we would love to help reduce these.

Maranui is a family orientated surf club where skill development through fun and inclusive activity is our driver. We strive for 100% fun to drive 100% effort. We take youngsters from 5 years old. We teach beach safety, how to enjoy being in the ocean and through a development programme hope to grow life guards of the future. We do not teach swimming and encourage parent involvement in their Childs learning.

A promotional poster for Maranui SLSC's Open Day. The background is a photograph of children in swimwear at a beach. A large red semi-circle is on the left side. The text is in white and blue. At the top right is the Maranui SLSC logo, which features a winged 'M' inside a circle with 'MARANUI SLSC' written below it. The main text reads: 'OPEN DAY', 'Sunday 16th October 10am-1pm', 'Maranui SLSC, Lyall Bay Beach', 'Always wanted your child to be beach confident, Understand beach safety, learn awesome skills and grow to be lifeguards of tomorrow, all while having heaps of fun? Head along to our open day or sign up online.', 'https://www.maranui.co.nz/join-junior-surf', 'Maranui develops Lifeguards of tomorrow in a fun, safe environment in a family environment that is inclusive and caring.'
