### • DRIVING & PARKING NEAR SCHOOL.

I would like to remind all drivers to be to extremely cautious near our school. Entrances are inevitably congested before and particularly after school. Please reduce speed and be considerate and lawful if parking. We have noticed cars parked on yellow lines on Hamilton road including on the corner with Raupo street. This is dangerous and must be avoided.

### PRINCIPAL NEWS.

Kia ora Koutou,

Our student have made a great start to what is going to be a busy and exciting term. We have two themes of learning across the school. All students are inquiring into concepts of money and financial literacy. Last term all students investigated ideas from the "Planet Earth and Beyond" area of Science within the New Zealand Curriculum. We found that sharing a learning focus across the school was highly beneficial to learning school-wide.

We are also focussing on the visual arts this term. Each class will receive 3 hours of professional tuition from the Artrageous educators. There will also be work in the classrooms culminating in the wonderful Art Te Aroha exhibition. This is mentioned later in this newsletter.

Have a great weekend.

Tony Austin-Principal.

- **ARTRAGEOUS WITH ROOMS 1, 3 AND 4.**

Rooms 1, 3 and 4 were the first to participate in the Artrageous programmes.

- **ROOMS 8 AND 10 AT CAPITAL E AND THE CITY GALLERY.**

“At the entrance to Capital E we met our guide, Sam. We followed him into the media lab where he showed us some art by Petra Cortright. Some of her pictures were as dark as a nightmare but some were heart-warming. Sam showed us how to make our own digital art using an app called Paint.net. My piece of art looked like a time vortex from Doctor Who”. **Harvey.**

“In the second room of the art gallery there were moving pictures, some of the special detail moved very slowly. Some of them even changed colour completely. They all had different themes- one was snowy and one was based around autumn. In the third room, there was a giant picture being projected onto a wall, it was like a movie”. **Luka.**

- **SAVE THE DATE.**

We have organised for Anjela Webster from Netsafe to present to our parents on:

**Wednesday September 6<sup>th</sup> at 7.00pm at Kilbirnie School.**

- ***YOUNG, EAGER AND ONLINE. Understanding ways to support our children and young people as they balance the opportunities and complexities in online environments.***

NetSafe is a national organisation that is keeping it real with their positive approach to technology and today's opportunities and challenges. Their purpose is to enable NZ parents, caregivers, educators and young people to be confident users of technology and make the most of digital opportunities by providing practical tools and advice to minimise online harm.

Anjela is an Education Advisor at Netsafe and has worked in education for over 25 years. In this time Anjela has taught across all school sectors from ECE to Secondary and has held various leadership roles. Most recently, she completed her M.Ed, with a focus on young people and their concepts of privacy, and the supports available to help them navigate challenges and opportunities online.
