

EMERGENCY WATER TANK FUNDRAISER

Kilbirnie School is helping get water into our community

Kilbirnie School is a Community Emergency Hub and will be the go-to-place for community support and coordination in a civil defence emergency. We are fundraising to install noticeboards at our school entrances for use in emergencies and daily school life.

Buying an emergency water tank through Kilbirnie School prepares your household and supports our community hub. You can collect it locally from Kilbirnie School.

Two tank choices

Wellington City Council recommends 200L rainwater collection tanks. **It's recommended that you store 20L per person, per day for at least 7 days.** Larger households may want to get the 800L tank instead. Both tanks are supplied with fittings to connect to a household downpipe and have a 10-year warranty when used as a rainwater collection tank plus a 1-year warranty for the downpipe diverter kit.

200 litre tank \$120

Features:

- 1200 mm high and 650 mm wide
- Green
- **Delivered to Kilbirnie School** for local collection
- Weighs 7.5 kg when empty
- Can fit into the backseat of most cars
- Food grade UV resistant plastic
- Includes all fittings - brass tap, bung, hose connection and Superfill Diverter Kit, stainless steel hooks and earthquake strapping

800 litre tank \$570

Features:

- 1970 mm high and 770 mm wide
- Birch grey
- **Delivered to your home address**
- Built in leaf strainer and lid unit
- Includes all fittings including a superior diverter and brass tap, and advice for securing your tank

Need help with installation?

Correct installation is important to ensure the tank works effectively. It is best to install the tank on a flat surface, next to a downpipe. The best base is concrete, bedding sand or paving stones. Lifting it up on a timber stand makes all the water accessible. Parentlink can recommend a local handyman who can install the tank at extra cost. The installation price will depend on base preparation and any additional pipe work needed.

How to order:

- Complete the form below and return to Kilbirnie School Office at 72 Hamilton Road, Hataitai
- Email your order to office@kilbirnie.school.nz
- Or complete the online form <https://goo.gl/forms/7YnEpMCkXHK7RI033>

To confirm your order payment must be made to Kilbirnie School by **FRIDAY 29th MARCH 2019**. Delivery is expected mid-April and will be confirmed via email.
