TERM 3. WEEK 10.

WELCOME TO OUR NEW STUDENTS.

Kiet in Elaine's homeroom.

Nhi in Rachel's homeroom.

PRINCIPAL NEWS.

Kia ora koutou,

This morning we have been removing lighting and sound equipment. Once the courier removes the extra benches our hall will be ready for our assembly/hui this afternoon. It has been a tremendous week and one to be very proud of. It's often the small things that allow us to feel assured that our work is consistent with promoting the outcomes we value for students. This morning our staffroom was awash with korero as our staff recounted the successes of individual students. One that resonated with me was that of a child in the Ngake hub who was particularly reluctant earlier in the development of the piece, there were even tears. I watched that child delight in their performance last night. They were expressive, confident and just so joyful.

At Kilbirnie School we believe learning in the arts is an essential part of a full and rich curriculum. In the performing arts there is interplay between thinking and feeling, its emotional, it heightens feelings and emotions. The arts allows students to express themselves- it means something. We are delighted to have been able to offer our students a rich experience this term. Thanks to all those that supported students and staff. Term 4 is looking to be as full and exciting as this term.

I would like to wish everyone a safe and happy holiday period together.

Tony Austin- Principal.
