- **ATHLETICS SPORTS DAY.**

What a wonderful day at Newtown Park yesterday! Thanks to the parents and whānau who attended on the day to help make the event so enjoyable for the students. Mrs. Te Rito and I were particularly impressed to see and hear students supporting and encouraging each other.

- **GARDEN TO TABLE.**

Garden to Table is an exciting, integrated programme that helps children understand how to grow, harvest, prepare and share good, healthy food. The programme builds skills for life practical, hands-on activities. Students learn gardening and cooking skills while building awareness of the environment and the need to protect it. Absolutely consistent with the Kilbirnie School graduate profile and what we want for our students!

GTT operates on Friday mornings 9-10.30am. We have two incredible specialist teachers, Sacha and Bec, who have made the programme come to life for us. Our intention is to provide GTT learning and teaching across the Whataitai Hub every year, we intend to enhance the programme by incorporating facilities for GTT in future property developments in that area of the school.

I am keen to hear from anyone in our school community who would like to discuss sponsorship or resourcing for GTT in 2023. Email or come in and see me!

- **KILBIRNIE SCHOOL VALUES.**

Congratulations to **Giuseppe, Hunter and Ashton** who received Principal's awards in recognition of their demonstration of the Kilbirnie School values.

- **TEA WITH TONY.**

I set aside time on Friday mornings to meet and chat informally with parents and whānau of our school over a cup of tea or coffee. No appointment necessary and I will make the tea! If you have any questions or interests about the work of our school or education in general, please do come to reception after the 9.00am bell. Pre-schoolers are also most welcome.
