Kilbirnie School Run-a-thon:
24 May 2017

KILBIRNIE SCHOOL
Whāia te iti kahurangi

Kilbirnie School is conducting a run-a-thon to help raise funds to improve the outdoor environment

The run-a-thon is a great opportunity for our children to enjoy the outdoors, get active and raise some funds at the same time!   We hope that you will support your child's efforts.

What	The aim is for students to run as many laps as possible over a specified time.
When	Wednesday, 24 May, at 1.45pm.
Who	All school students are encouraged to participate: • Ngake Hub will run around the bottom court for 5 mins • Whataitai Hub will run around the school block for 10 mins • Matairangi Hub will run around the school block for 15 mins
Logging Results	The number of laps that students complete will be logged by our great volunteers (please see below!).
Sponsorship	Students are encouraged to ask parents, grandparents, extended family, friends and neighbours to sponsor them for this event. This can be either an amount per lap, eg; $1.00 per lap, or a lump sum of say $10.00. Sponsorship is to be recorded on the attached sheet. Please copy more sheets if you need them…! Please assist your child to collect the sponsorship money as soon as possible after the run-a-thon and return it to Liz in the office. You can also deposit donations straight into the Parentlink bank account (03 0521 0010140 00) using reference "Family name - Runathon".
Prizes	There will be a prize for those that raise the most funds….
What to bring	Please ensure your child wears suitable running shoes and brings their drink bottle.
Volunteers	We need about 6 parent helpers to help during the hour (logging results, directing children and simply encouraging and supporting the runners). If you are able to spare the time, please email Lorraine Kamo – Lorraine.kamo@mpi.govt.nz by, Friday, 19 May.

Kilbirnie School Run-a-thon: 24 May 2017

KILBIRNIE SCHOOL
Whàia te iti kahurangi
EST. 1884

Student Name: _____   Room: _____

I am doing a run-a-thon for Kilbirnie School on Wednesday, 24 May. All money raised will go towards improving our outdoor environment.

You can help by sponsoring me for an amount per lap, or a total donation amount. After the run-a-thon, I will come back to you, letting you know how many laps I completed and collect the money!

I am hoping to run at least _____ laps.

THANK YOU!

Sponsor's name	Donation per lap	Maximum Donation	Total laps completed	Total collected
TOTAL AMOUNT				$
